#### PROFESSIONA SUMMARY

Java and MuleSoft Backend Developer with 2.6 years of hands-on experience in building enterprise integration solutions, automating workflows, and enhancing system performance. Adept in Java, Spring Boot, and MuleSoft Anypoint Platform, with a proven track record of successful B2B integrations for the Stryker client. Skilled in working across databases, integration protocols, cloud platforms, and DevOps pipelines. A collaborative team player with strong communication skills and a continual learner mindset, passionate about developing scalable and secure backend systems.

#### **TECHNICAL SKILLS**

Languages: Java, SQL, HTML, CSS, JavaScript Frameworks & Libraries: Spring, Spring Boot, JPA, React

Integration Tool: MuleSoft Anypoint Platform, GoAnywhere MFT

Operating Systems: Windows

Databases: MySQL, Oracle, SQL Server, Azure Data Lake

Tools: Eclipse, Spring Tool Suite (STS), Visual Studio Code, SQL Developer, Postman

Monitoring & Support: Grafana, Splunk

DevOps & CI/CD: Azure DevOps, GitHub, SVN Tortoise

#### PROFESSIONAL EXPERIENCE

#### Application Developer (MuleSoft Integration Developer)

Birlasoft Pvt. Ltd., Noida, UP, India

October 2023 - Present

- Specialized in developing and maintaining MuleSoft-based middleware integrations for enterprise B2B solutions with the Stryker client.
- Designed and deployed robust APIs and flows in MuleSoft, enabling seamless communication between systems like ID Edwards, Salesforce, and Azure Datalake.
- Integrated multiple data sources and protocols including MySQL, OracleDB, SFTP/FTP, Amazon S3, SMB, SOAP/HTTPS, and cryptographic tools (PGP, JCE).
- Managed and monitored integrations using GoAnywhere MFT, Grafana, and Splunk for real-time issue resolution and system health tracking.
- Contributed to CI/CD pipelines using Azure DevOps, ensuring automated build and deployment of MuleSoft applications.
- Collaborated with cross-functional Agile teams in daily scrum meetings, sprint planning, and release management to
  ensure delivery and scalability.

### Apprentice (Java Developer Trainee)

Birlasoft Pvt. Ltd., Noida, UP, India

April 2023 – September 2023

- Engaged in full-stack development projects using Java, Spring Boot, HTML, CSS, JavaScript, and React for internal applications.
- Created and tested RESTful APIs, integrating SQL and Oracle databases for backend operations.
- Utilized Postman for API testing and GitHub/SVN for version control and collaboration.
- Participated in debugging and optimization efforts to enhance performance and maintainability of codebases.
- Documented technical flows and engaged in knowledge-sharing sessions within the development team

## **EDUCATION**

#### **Master of Computer Applications**

Computer Science, Vellore Institute of Technology, Bhopal, M.P. 2022 | 8.33 GPA

#### **Bachelor of Computer Applications**

Computer Science, L.S. College, Muzaffarpur (BRABU University) 2019 | 73.37%

## Intermediate in Science

PCM, Dr. R.M.L.S. College, Muzaffarpur (BSEB Board) 2016 | 63.8%

#### Matriculation

Oxford Public School, Muzaffarpur (CBSE Board) 2014 | 8 GPA

## PERSONAL PROJECTS

## Centralized Vaccination Tracker System

Jan 2022 – Apr 2022 | Team Project (3 members)

- Developed a centralized web application to manage and track vaccination records across multiple centers.
- Built the backend using Java and Spring Boot, implementing RESTful APIs for vaccination data management.
- Designed and integrated a responsive front-end interface using HTML, CSS, and JavaScript.
- Worked on the MySQL database for secure data storage and retrieval.
- Focused on modular design and ensured smooth communication between front-end and back-end components.

#### **Fitness Mantra**

Sep 2021 - Nov 2021 | Academic Project

- Designed a fitness management web application to handle class schedules, time slots, and user profiles.
- Contributed to both Java-based backend logic and UI development.
- Implemented user input forms, validation, and data persistence using Spring Boot and JPA.
- Utilized MySQL for storing user, schedule, and class information.
- Integrated a feature allowing users to browse and purchase fitness equipment or accessories, redirecting them to
  external shopping platforms.

#### **CERTIFICATIONS**

Campus to Corporate Certification – Birlasoft (India) Pvt. Ltd
